Welcome to this modern gem. This beautiful family home has three bedrooms, two bathrooms, a garden, and a large patio outside. It is in a safe cluster/duplex in a residential boomed off area of Bryanston. The living room and dining room are open to each other and have a lot of natural light. The dining room opens up into a modern kitchen with lots of cabinets, a gas stove, room for a double-door fridge, and two under-counter units. The living room has Plantation Shutters that open up to a patio with blinds that looks out over a lovely, large yard and leads to the garage. All three bedrooms are a good size and have laminated floors and built-in cabinets. The master bedroom has its own bathroom with a big shower and a sink for each person. A second full bathroom serves the other two bedrooms. Two extra linen closets are on the landing of the second floor. All bedrooms have air conditioning, as well as the open-plan living area with the living room, dining room, and kitchen. The house faces north and gets a lot of natural light.
