As you walk in, the living room, dining room, and kitchen are all open to each other. The living room leads to a patio with a small yard that is easy to take care of. The floors in the house are all coated. There are sandstone countertops, a center island, a gas stove, and a scullery with room for three under-the-counter tools in the kitchen. Downstairs, there is a bathroom for guests' use. There is a lot of closet space and room in the bedrooms, which are on the second floor. The main bedroom is big enough for a king-size bed and has its own bathroom. This house has a double garage and a place for workers to stay. Call the agent today to view this home.
