This is a very clean and roomy two-bedroom loft apartment. This apartment is one of the ones in the building that is kept in good shape. The apartment is in Dainfern - The View. The kitchen is open-plan and has a lot of storage space. There is room for a fridge with one door and two machines that fit under the counter. The kitchen runs right into the large living room, which is great for hosting parties and has sliding doors that open up to the first balcony. Two of the bedrooms have built-in cabinets and hardwood floors. There is a toilet, a shower, a bath, and a sink in the full bathroom. There's a loft area that can be turned into an office, which is great for people who work from home. The balcony on the second floor is very big and has great views. Call us today to view this home.
