This pet-friendly cluster is very roomy, with all bedrooms having laminated flooring and living rooms that are beautifully tiled. There is a gas fireplace in the downstairs living room and eating area, which are both open to the modern kitchen. The kitchen has Caesar Stone countertops, white cabinets, a center island, and a gas stove. Outside, the dining room leads to a covered patio with a small decked patio under the cover and a yard that doesn't need much care. There are three nice-sized bedrooms and two modern bathrooms on the second floor. The first floor has a large pyjama lounge with a gas fireplace that can be used as a home office or study. There is an automatic double garage that leads to the house. There is a community pool and clubhouse area at The Fields, which is a high-end building that is well taken care of. It is only a short distance from Dainfern Square.
