Welcome to this beautiful, modern, and luxurious home, where every detail has been carefully thought out to make life here an unforgettable experience. The grand hallway with high ceilings welcomes you as you enter. It shows off a renovation with high-quality finishes and a one-of-a-kind, stylish chandelier that sets the tone for the rest of the house. The living room, dining room, and kitchen are all connected by an open floor plan in the main living area, which makes the space feel large and fresh. Large windows that go from floor to ceiling let in a lot of natural light and give you stunning views of the outdoors. The living room has a modern fireplace with a sleek look that makes the room feel warm and classy. It has high-end finishes, state-of-the-art appliances, a big center island, and a separate scullery. The gourmet kitchen is a chef's dream. The master bedroom is a real haven. It has a large walk-in closet, a bathroom that feels like a spa with a luxurious soaking tub, and a private balcony with views of the fairway and river. High-end finishes and lots of natural light make the other bedrooms and bathrooms just as impressive. There is marble flooring throughout, glass stack doors from the reception rooms to the patio and decking, air conditioning in all bedrooms, 3 garages, and a staff suite. The bar area and all reception rooms lead out to the pool and decking. Get in touch with me today to set up a private viewing.
