A work of art in architecture that provides a peaceful haven with stunning views of the Jukskei River and forest. The big front door was made to show off the covered patio, which is a great place to have parties. There is a Lacanche stove with a gas hob, wooden countertops, and an eat-in dining table in the fully equipped kitchen. The kitchen opens up to the formal dining and sitting rooms. There is a large bar/entertainment room and a home theater room that is fully prepared. The house has a beautiful temperature-controlled wine cellar with a dining table for private wine taste nights. The master bedroom is very fancy and has a big living room, a walk-in closet, and a beautiful bathroom. The guest bedroom is self-contained and has a bathroom, a living room, and a small kitchenette. The house has a spotless basement with room for 10 to 12 cars to park, storage rooms, a double staff room with a separate living room and bathroom, Jojo water tanks, and a generator. Don't let this rare opportunity pass you by. Contact us today for an exclusive private viewing.
