In this exclusive neighborhood of Steyn City, there is a work of art that will change the meaning of luxurious life. This is more than just a house; it's an example of extravagant luxury, and every detail has been carefully thought out. This two-story, independent home is the height of modern luxury. It sits on a huge 876m² lot and has an interior that is 605m² in size. When you walk through an aluminum-framed glass pivot door into the grand foyer, you'll be met by high ceilings and immaculate marble tiles that show how refined the building is over time. At the heart of this house is a gourmet chef's dream kitchen with only the best tools, ready to make culinary masterpieces. On the first floor, there is a large dining area and lounge that are great for holding large events. Behind the inviting glass sliding doors is a magical world where indoor and outdoor spaces merge into one, leading to the beautiful pool area. There's the outdoor oasis, which is a large balcony made of the best materials that flows easily from the living room. It calls to you as the perfect place to eat, relax, and have fun outside. A sun deck by the pool is just a few steps away. During the day, it's a great place to soak up the sun, and at night, it turns into a romantic spot. The house has four well-sized bedrooms, and each one has its own bathroom attached to it. The main bedroom is a luxurious haven with a bathroom right next door and a large walk-in closet that is both stylish and well-organized. The architecture of this house is a gem of modern design. The upper level is decorated with glass balustrades that go around the deck on the top floor and show how artistically designed every part of this home is. This isn't just a house; it's a canvas where technology and the peaceful beauty of Steyn City come together in a way that works well. It's a sign of high-class life when marble and glass work so well together. With solar-ready features, a solar geyser, and air conditioning, this home skillfully mixes eco-friendly living with high-end comfort. Outside, an upper-floor deck with a great view gives you a front-row seat to the amazing life in Steyn City. This is a property that goes beyond living; it's a mix of art, technology, and luxury. Steyn City, a city within itself, offers a championship golf course, school, lush parks, halistop, cascading waterfalls, and gourmet dining, all within a secure, gated paradise. It's a lifestyle that transcends the ordinary. Discover the zenith of luxury living where every detail is meticulously crafted, and where Steyn City's allure beckons. This isn't just a house; it's an embodiment of the extraordinary. Make this masterpiece to be build yours today!
