A beautiful modern family home that has just been remodeled and has high-end and modern finishes all over. This bright and airy house is set up so that it has stunning views of the golf course and river. It has everything you could want in a family house. There are 4 bedrooms, each with its own bathroom and American shutters. The master bedroom has air conditioning and a patio. Two bedrooms with private bathrooms are on the first floor, and two more are on the second floor. One great thing about this house is that it can have a flat added to it. There are 4 large living areas, a patio with a fence around it, and a built-in braai area that leads to the pool and yard. This one-of-a-kind property is great for making a calm atmosphere for entertainment inside and out. The gourmet kitchen was custom made and has Miele appliances, a center island, a separate scullery, and a breakfast area with views of the beautifully kept yard and golf course. The house is built so that all of the bedrooms and the areas where people hang out can enjoy the stunning views of the golf course. It has 3 basements, a lot of guest parking, and an inverter for backup power. Call the agent today to view this beautiful home.
