A stunning, spotless modern family home sits on a large, private lot in a cul-de-sac next to a park with dams all around it. A two-story opening with lots of natural light and warmth welcomes you. A custom-built raw oak bar and wine cellar were made to be the perfect entertainment room. The reception rooms and the bar and wine cellar all flow around a big patio with a built-in braai. A real haven for entertainers! The kitchen has a lot of built-in cabinets, a big center island or breakfast bar, a gas stove that was custom made for the home, a separate laundry room, a scullery, and a walk-in pantry. The kitchen flows easily into the dining room and formal living room, which lead to the patio and sun decked terrace outside with views of the well-kept private garden and pool through stacking doors. There is also a guest suite downstairs with a door leading to the yard, as well as a family lounge that can be used on its own or as a library or study. There are three bedrooms upstairs, each with its own bathroom and balcony. There is something special about the master suite. It has its own pyjama lounge, a big walk-in closet, and a beautiful, light bathroom with a steam room and an outdoor shower. This house also has a modern solar inverter system, ducted central breeze air conditioning, a four-car garage with extra road parking, a large staff apartment, and underfloor heating all over. This is a well-known and safe estate called Dainfern Golf Estate. It has a golf course built by Gary Player, play areas for kids, parks, sports facilities, and a newly remodeled clubhouse with the latest food and entertainment.
