This beautiful home was built to capture and frame the stunning views from every angle. It sits on a North-facing stand. This custom home is naturally modern, but it also exudes luxury and sophisticated grace, making it possible to live a life that can't be matched. This magical modern masterpiece is a masterful mix of inspiration and architecture. It's made for modern-day luxury living and entertainment, and it has some truly amazing architectural and structural features. A living home that is ready to move into right away and offers privacy, peace, and breathtaking views in one of the most sought-after areas of Dainfern Golf Estate. Made with unwavering quality and close attention to every detail. This beautifully designed home has several open-plan reception areas that make life outside and inside feel like one space. The living areas are open but still separate. The kitchen is designed by a chef and has high-end tools, custom cabinets, a walk-in pantry, and a separate scullery. There are 6 large bedrooms and 5.5 beautifully finished bathrooms. The master suite is the most luxurious and has a dressing room and a bathroom with modern fixtures and fittings. A built-in braai and outdoor patio gazebo are also available. This is a great place to hang out with family and friends or enjoy your coffee and breakfast in peace while taking in the beautiful scenery and lots of birds. The house has rooms with air conditioning, fires for the winter, enough space for staff, and a double garage with automatic doors. Don't miss out on this spectacular home, call us today!
