Enter your private haven within this unique full-title property! Savor the elegance of this cluster home with three bedrooms and 2.5 bathrooms. It features luxurious living that is improved with facial recognition access at the estate entrance, providing increased security. This well-thought-out home includes a built-in study for productivity or relaxation. The open-concept, ultra-modern kitchen features a center island that provides additional work space for meal preparation, a gas stove and oven, and plenty of closet space. Without a doubt, this house is ideal for getting together with family and making priceless moments with your loved ones. An extra cupboard has been added to each bedroom to provide you more area for arranging all of your belongings. Every bedroom now has updated flooring that exudes style and organization. There is an attached bathroom with a bathtub, shower, sink, and toilet in the master bedroom. The second bedroom shares a large bathroom with the third bedroom and features a magnificent balcony overlooking the well-known sunsets in South Africa. Parking and storage are easily managed with the ease of a double garage. Tucked away in a desirable area, this home offers easy access to entertainment, dining, and shopping. Upgrade your way of life by making an appointment for a viewing right away and immerse yourself in this magnificent property's unmatched style, security, and comfort. Make this your new home by getting in touch with me to schedule a viewing.
