Visit this gorgeous faced brick corner site in Mitchell's Plain's highly sought-after Weltevreden Park. The mosque is within walking distance, and there are many other well-liked amenities nearby. An enclosed braai room can be reached through a triple tandem garage. There is a patio door leading from the braai room out to the pool area. An entertainer's dream come true in the summertime. Even better, though, is the covered braai area that's perfect for any weather conditions year-round. There are three bedrooms, two bathrooms, a large living room, an open kitchen, and a separate dining space. Additionally, you have direct entrance from the garage into the house, which is fantastic for winter rainy weather and security reasons. Give me a call right away to set up a viewing so you don't miss out.
