Situated at the intersection of Clifton and Camps Bay, with unobstructed views of the sea and the coastline, this exceptional home provides an exceptional lifestyle in this highly sought-after part of Cape Town. With its large lawn, expansive views, and sun-kissed pool deck that faces the Clifton beaches, this house is perfect for both a family's lifestyle and that of an entertainer. The warmth and textures of the Cape are wonderfully complemented by the sophisticated look of this designer residence. Through full-height glass sliding doors, the well-proportioned and light-filled living area seamlessly connects indoors and outside. A stone-clad log-burning fireplace warms the center of the living area on chilly nights, and the entertainment kitchen serves as both a pretty and useful focal point for the room. There's a large, well-equipped functional kitchen with a hidden pantry that opens to the backyard decked area. A store, an independent bedroom and bathroom that can be used by staff or converted into a flatlet, and a lush hidden hanging garden are located off the courtyard. The back room, which can serve as a fourth bedroom if needed, is connected to the master bathroom via a plumbed-in storeroom. With expansive vistas and complete seclusion, the master suite opens to the lush green lawn and pool deck. The luxurious dressing room welcomes you into the suite, which continues into an opulent spa-quality bathroom with a steam shower and a log fireplace at the base of the spa bath, as well as the private courtyard filled with lush greenery beyond. With stunning views over the house and garden below, a sunny terrace is accessible from the study and sleeping lounge upstairs. This self-contained level of the house has a guest suite with an ensuite bathroom and a second bedroom with a shared bathroom, making it ideal for guests to feel independent while taking in the breathtaking surroundings. This property boasts expansive views over the expanse of the pristine seas of the Atlantic Ocean, stretching from the Twelve Apostles to Lions Head, and is conveniently located on Kloof Road, making it easy to access both the city and the beachfronts of Camps Bay and Clifton. Through glass balustrades, the sun terrace around the pool provides an unhindered view, and although being well-manicured, the landscape is simple to maintain. There's nowhere better to enjoy the long summer days in Cape Town than to lounge in the sun and watch the gorgeous sun set over the ocean while grilling or swimming. Situated in one of Cape Town's most exclusive neighborhoods, Clifton, this property offers easy access to all local facilities, including top-notch dining options, world-class cafes, immaculate beaches, and a bustling nightlife.
