This large 258 square meter, three-bedroom corner set home is perfect for a growing family or as an investment. There are three large bedrooms in the house, each of which has a king-size bed. Safety is a top priority with electric fence, automated gates, burglar bars, alarm systems, and off-street tandem parking for two cars. The light and airy kitchen, spacious enough to fit a dining room table, opens up from the comfortable lounge with its wood floors and fireplace. From the kitchen, stackable doors open into a central, protected court yard that's perfect for family braais, leisurely summer lunches, and outdoor eating. There is a separate outbuilding on the property that is plumbed for a washing machine and works great as a laundry room. The City and major thoroughfares are easily accessible from this lively area. Viewings are by appointment only. Get in touch to schedule a time to watch.
