This large four-bedroom house gives the buyer many choices. Presently, it has a two-bedroom apartment that can be retained as is, serving as a passive income source. Alternatively, it can be effortlessly rearranged to the main house by clearing a doorway, returning it to its initial four-bedroom configuration. The primary residence comprises a spacious one-bedroom apartment, which can be effortlessly transformed back into a four-bedroom family home upon request. There are two road entry points on the property, which adds flexibility and convenience. The main house has a huge upstairs en suite bedroom, an undercover terrace, and a lovely pool surrounded by trees with foliage.
