With its stunning, old trees encircling it, this spectacular 2-acre property provides amazing possibilities. Fantastic chance to build a lavish family home or an upscale estate with three separate residences. The property's well-built main house is well furnished despite its age. Excellent bones from the well-equipped kitchen with roomy entertainment rooms. Plenty of cabinets along with a walk-in pantry. large patio covered in glass, including stacking doors that open to a lush garden. Four bedrooms, two of which are en suite, and a family bathroom make up the bedroom wing. Superior dimensions with tall ceilings. Plenty of extra parking space in addition to a triple garage. Beautiful pool and covered braai area in a brand-new pool house. Stacking doors three ways to accommodate any kind of weather, summer or winter. Tennis court with flood lights (needs to be resurfaced) is surrounded by gorgeous trees which provide much needed summer shade.

A separate driveway leads to a double story cottage. The top section is an incredibly bright studio with a shower en suite. Superb work from home option or an easy conversion for a bedsitter unit.

Sliding doors to a wrap around deck with stunning mountain views.

The lower section offers a private 1 bedroom flatlet with open plan living area and a shower en suite. Beautiful, established garden with a wooden jungle gym.

Chicken coup for the ducks and chickens. Domestic accommodation with a private courtyard. 3 phase heat pump which heats the water instead of using geysers.
