This light-filled, beaming home with plenty of yard space on both sides is ideal for a family. The large lounge features a wood-burning fireplace. The foyer and the third and second bedrooms have wooden floors. The main bedroom has carpet. Stylish kitchen featuring a new gas burner and electric oven. a ton of cabinets. access door to the backyard. The dining area is bright and opens to the covered patio. Beautiful view of the mountains. Large third bedroom including built-in cabinets. The family bathroom has a toilet, sink, and shower. Big, bright second bedroom. The spacious main en suite looks out onto the garden area and covered patio. Enter the changing room by foot. Huge shower and bathtub in a large bathroom. There is an outdoor room that can serve as a workspace for working from home or as a bedroom. separate restroom accessible from outside. One vehicle and additional storage space are provided by the single garage. Double garage. No swimming area (the temporary pool will be taken out). This house is quite lovely! Definitely worth viewing!
