This office facility, which spans three floors and includes numerous offices, conference rooms, training rooms, and boardrooms, is furnished and prepared for a new tenant. There is lots of shaded parking available, both outside and underground. On-site security professionals provide round-the-clock protection and access control by monitoring and managing access. The offices are easily accessible from the major thoroughfares (M5, M4, and M3), and depending on traffic, it only takes 15 to 20 minutes to drive to both the Cape Town International Airport and the city center. This will end soon, so act quickly! Please don't hesitate to get in touch with us to arrange a viewing or go over your needs for a property.
