Looking for a guest house that has been reviewed with 5 stars on TripAdvisor? You don't need to look any further. There is no better place to be than where you are, with the 12 Apostles rising above you and the deep blue Atlantic Ocean in front of you. Take over this well-run business or just buy a great house for yourself. This well-run guest house has fancy rooms that are tastefully decorated with an African feel. The rooms are very large, and the pool and garden area around it make it a great place to relax and enjoy the beautiful sunsets and views of Camps Bay and the Atlantic Ocean. A touch of modernity and an African vibe. The rooms are very large and have private balconies with amazing views of Camps Bay and the Atlantic Ocean. There is a theme in every room. Really great are the bathrooms that come with the rooms. They have a tub, a shower, and a WC. We used to serve a hearty and tasty breakfast every morning, and in the evenings we opened our private Table-Mountain-Rock wine store. The Western Cape has everything you could want, and Camps Bay is the cherry on top. Camps Bay Beach, the City Center of Cape Town, and the V&A Waterfront are all just a few minutes away. It's a great place to start any trip, whether you're going to Cape Point or the Winelands. The Cape's golf courses are all easy to get to, from the fancy World Cup courses to the more rustic nine-hole country courses.
