This amazing one-bedroom apartment has about 703 square feet (65 square meters) of living space and has stunning views of the London skyline. There is a large hallway that leads straight into a large living room/dining room, as well as a fitted kitchen with a number of built-in appliances. In addition, the large bedroom has high-quality built-in closets and a door leading to the balcony looking west. The apartment has been tastefully updated on the inside, and it's great for people who want to buy a home that doesn't need any work. Residents will also have access to a personal service that is open 24 hours a day, a fully stocked gym, and safe underground parking.
