This newly renovated home has big open rooms that flow easily onto the well-kept garden, pool, and enclosed patio areas, which are great for hosting parties. The formal lounge has a fireplace, there is a TV/family room, a dining room, an open-plan kitchen, a separate scullery, a fitted study, 4 bedrooms, with the master having its own bathroom, a family bathroom, and a guest toilet. The home's garden, pool, and covered patio can be reached through stackable doors in the main living rooms. The kitchen is modern, with countertops made of quartzite and lots of storage room. Automated two-car garage and lots of off-street parking for guests. This home is safe and has a lot of space, and it's close to the Sandton Central Business District (CBD). There are many shopping malls and good schools close, such as Crawford, Redhill, and the French School. *Rezoning has been allowed so the land can be split in half.

*The house is well placed on the big piece of land, which means that the back part could be split off, as long as the normal steps for subdividing are followed. There are many things you can do with this property's room. You can work from home or acquire business rights.
