This large, fully furnished two-bedroom, two-bathroom home is right on the Atlantic Ocean, on the Seapoint Promenade, and has stunning views of the water for miles. This apartment has real wood floors and high ceilings, and it's decorated in a stylish way for a trendy couple or business worker. Large kitchen that comes fully stocked with a washing machine and a dryer.Two of the bedrooms are very large and have lots of storage space and comfortable King-size beds with Egyptian cotton sheets.The first bathroom has a shower right next to it, and the second bathroom has a tub.The lift in the building doesn't work when the power goes out. That is, your fitness watch would show that you took more steps up to the fifth floor during these times. On Beach Road, there is off-street parking that is always open all year.
