A beautiful home with lots of high-tech features, such as roller security shutters, remote entry control, great inverters and batteries, a solar geyser, and a heated pool. No expense has been spared in creating this home for easy living. Beautifully decorated with hand selected wallpapers, wood panelling and exceptional finishes. Beautiful parquet floors in living spaces. A stone's throw from Micklefield Girls Primary and a quick walk to Bishops and Rondebosch, amongst other excellent schools. Often sought, but seldom found - four bedrooms plus guest quarters en-suite and gym or storage room, big enough for bicycles and garden equipment. Garappa decking, beautiful lighting, braai area with views. Sliding stacking aluminium doors in a subtle light grey

Large welcoming entrance hall, with contemporary light fitting, leads to open plan living space with views onto new swimming pool with Balau deck surround. Lounge has wood burning fireplace. Kitchen with Smeg gas hob and electric oven with integrated extractor. Stylish prep bowl. Leads to scullery plumbed for 2 appliances and tumbledrier. Double sink with hose tap and space for double fridge with water point. Island with central pendant light. Decked patio overlooks the heated swimming pool and allows beautiful views towards the mountain. Built in braai with glorious mountain views. Four bedrooms AND a separate guest room en-suite (which could be a work from home, teen room, play room or staff room) Stunning joinery in bedrooms. All bathrooms feature black bespoke fittings and heated towel rails with beautiful contemporary vanities and subway tiles.

Excellent security:

Electronic roller shutters Automated security shutters on the bedroom wing windows, bathroom windows and automated at passage entrance to bedrooms. CCTV Electric fencing.
