Welcome to our private Shangri-La Manor, a restaurant and event space that is perfect for small, classy parties. Each of the 10 luxurious rooms at Eden View rooms are tastefully decorated and furnished, making each one a haven of comfort and style. The meticulous design of these rooms creates an unmatched experience for guests who want a mix of elegant style and warm hospitality. Each of our rooms is a work of art in terms of open-plan design, with every detail carefully thought out. The separate bath and shower in the en-suite are beautifully split by large arches, making the space feel private and luxurious. Our rooms have beautiful views of forests because we were inspired by how beautiful nature is. We want our guests to enjoy the peace and quiet of their surroundings. Every part of the room has been carefully planned out with the layout in mind. The basin area and enclosed separate toilet show that we care about both how things look and how well they work. We've carefully chosen about 100 square meters of space for you, with a bedroom that's 4.5 meters by 8 meters, a lounge that's the same size, and a bathroom that's 3 meters by 9 meters. Your comfort and relaxation are our top priorities. Our ground-floor suites open up to a lovely patio and deck area, perfect for people who want to be one with nature. Our higher suites have private balconies, so you can enjoy the beauty of nature from the comfort of your own space. Included in each room is a queen-size bed and a stylish grouping of a sofa, coffee table, chairs, and a desk that perfectly combines comfort and usefulness. You can enjoy entertainment right at your hands with LED TVs, DVD and CD players, and satellite TV (DSTV). Air conditioners and heaters make it easy to set the temperature, so you can enjoy a cozy atmosphere all year long. Our attention to detail goes beyond how things look and includes how they work. To make you feel better, there is a mini-fridge, a mini-safe for your belongings, a hairdryer, and a Nespresso machine with a variety of capsules. Electric blankets can be requested by people who want to relax even more. Enjoy the ease of making tea and coffee whenever you want, and connect with the world around you thanks to the free Wi-Fi in all rooms.
