Live an unrivaled life of luxury and tranquility in the sumptuous Grand Floridan—the pinnacle of exclusivity. With breathtaking ocean views and lush flora creating an exquisite backdrop, the luxurious apartment is placed within a natural extension into the Durban skyline, immersing you in a dreamlike canvas. Stepping away from the daily grind, this spacious apartment offers the perfect setting for relaxation.

The design skillfully combines three bedrooms and three bathrooms with a flexible, open concept living area that opens to a sophisticated, enclosed entertainment area. Exquisite custom features, including a custom walk-in closet and an entire en suite bathroom, separate apart the main bedroom, while the second and third bedrooms may also have their own bathrooms. Although the kitchen appears traditional from the outside, it has a pantry, which makes cooking culinary wonders a breeze.

Seize the chance and reserve your viewing right away. In addition to giving you the chance to purchase the right house, we also provide you with an active and varied lifestyle where you can enjoy making priceless memories and fostering connections with the people and things in your community.
