We have a special place in the Milnerton Business Park, which is very safe and in the middle of everything. This business park is clean, well-kept, and quiet. There is plenty of open parking, and this 400m2 unit has its own shaded, locked parking bay area for 12+ cars. The unit has an entrance with a roller screen that leads to a warehouse that is about 150 m2 and has NEW EPOXY floors and a good height. Parking is part of the rental price! A huge savings over Cent City and office parks. There are seven offices next to each other, a nice-sized board room, two ways to get into the offices, and a kitchen and bathroom. It is well lit and clean in the offices. Full front desk area.

The outside parking spot is for exclusive use and has a braai. Yes, summer is coming! This type of space is very hard to come by and is very safe if your business has valuable goods or tools in its fleet. The price given is Gross, which means it includes everything except power and water. Schedule an appointment today to discover its unique charm and potential.
