Welcome to a beautiful 5-bedroom hideaway with pristine air conditioning. Two en suites have just been renovated, and the family bathroom and guest toilet are both modern and sophisticated. The cutting-edge kitchen features granite countertops and customized lighting, as well as ducted air conditioning. A huge lounge with distinctive lighting adds to the grandeur. The property boasts 3-phase power, an alarm system, and a large yard with a pool and tennis court. In addition, there is a fully equipped granny flat, three garages, and space for ten automobiles, resulting in an unequalled residence.
