This beautiful home has seven bedrooms, six and a half bathrooms, two kitchens, and a large scullery, making it great for big families. When you walk in, you'll see that the living room and the modern kitchen are connected by an open floor plan. The kitchen has built-in appliances, soft-close cabinets, and a large Caesar stone bar. From there, the dining room flows into the outdoor entertainment area, which has a pool and a lapa where you can relax with a drink and soak up some sun. As you go upstairs, you'll find a private sitting area, 5 large bedrooms, and 4 bathrooms. The master suite is especially luxurious, with a large walk-in closet and a luxurious bathroom attached to the bedroom. Two of these bedrooms have doors that lead to large balconies with stunning views of the sea and the city of Durban. Two more bedrooms are downstairs, perfect for bigger kids or parents who live with you. They are easy to get to from the parking lot, so you don't have to go up and down the stairs. There is a fully equipped kitchen, an open-plan living room, and a dining area on the ground floor. There is also a garden where kids can play freely. Practical features such as solar-powered geysers and JoJo tanks ensure a reliable water supply. This home perfectly blends luxury and convenience, capturing the essence of the coastal way of life. It has covered parking for at least eight cars and plenty of on-road parking. Make this your home today by calling to arrange a viewing!
