Welcome to this beautiful five-bedroom mansion, which is the height of luxury life. This house is in a great spot in the middle of Durban North, and it has a thoughtful functional plan, with three bedrooms on the lower level for easy access and two luxurious bedrooms upstairs, including two main en suites for maximum comfort and privacy. When you walk into the main bedroom, you'll feel like you're in a palace. It has a beautiful walk-in closet that will satisfy even the pickiest shoppers. The large covered balcony is the showpiece. It has stunning views of the sea that change the meaning of "room with a view." Downstairs, there are two well-equipped bathrooms that are shared by all guests. These bathrooms were meant to be both stylish and functional as well. Ascending the grand glass staircase takes you to a large bar on the second floor, which has an inviting atmosphere. Enjoy life outside with a huge, well-kept garden that goes all the way around the house and makes a peaceful background for entertainment and relaxation. A cool pool goes well with being outside and lets you relax in style. A two-bedroom self-contained granny cottage adds to the appeal of this property by providing extra space for guests or family members looking for a private getaway. The well-thought-out design includes three automated garages with drive-in entry and extra parking for up to six cars, making sure that your cars are safe and easy to get to. Don't let this rare opportunity pass you by. Contact us today for an exclusive private viewing.
