This stunning family home is located on a sought-after lane in upper Morningside. From the entrance, there is a big room and dining area that flows wonderfully off the enormous and trendy kitchen, which is incredibly well-equipped. A television lounge is located just off the kitchen and is ideal for lounging. A dedicated office space is great for people who want to work from home and includes a convenient separate restroom. Step outside onto a magnificent veranda and you'll find a fantastic pool area and groomed garden setting, perfect for summer days and entertaining family and friends. Upstairs are tastefully fitted bedrooms. The master bedroom boasts a walk-in closet, numerous built-in closets, a spacious en-suite bathroom, and air conditioning. The other three bedrooms are all of good size and well-equipped with BICs and air conditioners. The fourth bedroom has the extra amenity of a small balcony. There is also a delightful flatlet with a kitchen, lounge, and bedroom, which provides seclusion for guests or could be used by extended family. A double lock-up garage is supplemented by four additional open parking spaces. The property is well-secured and represents exceptional value for anyone wishing to buy for a larger family.
