Opportunity to own this large stand-alone office building in Morningside. The main structure is enormous and now configured for commercial purposes, with a reception area, boardroom, and private offices, as well as a huge open plan work area equipped with a full kitchen, bathroom, and separate toilets. There is an additional office at the back, as well as a server room. There are three outdoor storerooms, two of which can be turned back into garages. There are two road frontages from 11th Avenue to Problem Mkhize Road (Cowey Road). There is plenty of parking at both driveway entries.
