This is a property with numerous possibilities in the heart of Durban North. A huge three-bedroom, two-bathroom home with a spacious open-plan kitchen and living area, as well as natural light throughout. The main bedroom en-suite features an enormous walk-through closet and a Hollywood-style complete bathroom with a sauna. The bedroom has a view of a dazzling pool and a beautifully kept yard. In addition to the main home, there is a large two-bedroom garden cottage and a third building, which is being used as a day spa. Both the day spa and the cottage are now doing well in terms of rental income. A quiet white cobblestone and grassed space separates the main house from the spa, with fully grown Cycads contributing to its charm. A single lockup garage and a double carport with drive-in access for an additional four vehicles. A plumbed laundry room adjoins the garage. The site also includes staff quarters. The property is centrally located, close to schools, restaurants, and stores.
