This property on Upper Smiso Nkwanyanwa Road has six apartments and one smaller bachelor apartment. Each unit is about 80 square meters and is in a great location, making it a great business opportunity. One bedroom, one living room, one kitchen with a bathroom, and one separate toilet are in each flat. Aluminum window screens are used on every part of the building. In addition, there are two garages on the land, with room for up to six cars. The building itself has been meticulously cared for and is in perfect shape. There are very low fees and rates involved.
