More than 300m2 of living space. Beautiful views of the city and sea. Beautiful, high-quality finishes run from the kitchen to the dining room and formal living room in an open plan room. Windows that go from floor to ceiling let in a lot of natural light. There is another lounge/entertainment area that goes across the whole width of the flat and leads to a huge roof garden with artificial grass through foldback doors. There are three big bedrooms, two of which have their own bathrooms. There is also a family bathroom with a shower, toilet, and sink. All of them had a lot of b.i.c.s. The main bedroom has great views and opens up to the leisure area. There is a utility room right off the kitchen, and there is parking for three cars at the front door. Residents and their friends can use the swimming pool, gym, and club room that are shared by everyone. There is a guard station at the door that is manned 24 hours a day. Get in touch with us right away to set up a private showing.
