This home is owned by a family and would be great for an investor or a big family who wants to live next door to each other. It is in Morningside, close to Windermere Center and Florida Road, and close enough to walk to Clifton, DPHS, and Gordon Road schools. Right now there is one flatlet and three 1/2 units. They could be turned back into four units, for a total of eleven beds. There is a nice garden for each house, and one has a small pool. Each unit has two cars parks. There is a staff room and a storage room in the building. It has fiber to the home and is pet-friendly.
