All investors seeking retirement income are invited to view this income-producing property. Situated in one of Glenwood's most convenient locations, this house was originally a beautiful maisonette that was renovated into a big apartment with six bedrooms. They resemble each other like mirror images. Each of the ground level apartments features an expansive open-concept living, dining, and kitchen area. The kitchen features a double sink, gorgeous granite countertops, and plenty of built-in cabinets for storage. Each of them features a family bathroom, two bedrooms with built-in cabinets, and an en suite shower room in the master bedroom. Units on the first floor are mirror images. Each of them has an open concept kitchen, dining area, and living room. The kitchen features a double sink, an oven and stove, and built-in cabinets with gorgeous granite tops. It features a lovely family bathroom and two bedrooms. The master bedrooms each have a shower-only bathroom. Each bachelor apartment has an open concept kitchen, dining area, and living area with granite countertops and built-in cabinets. It's merely a short stroll to two main routes with public transportation. In addition to being conveniently accessible to tertiary institutions like UKZN, Costal College, DUT, and other establishments, the schools and hospitals are also nearby. These gorgeous maisonettes have windows made of metal. The entire property is completely covered in tar, requiring little upkeep in the yard. The property is gated and features concrete fencing. This property can give you rest of mind in generating a continue income without street. Call right away to schedule your viewing.
