South Africa, Gauteng, Sandton, Stephen Dlamini Road, , ,

SALES PRICE

R 6200000.00

Property export

This 1830m2 piece of land in Windermere currently holds a two unit, six bedroom old world mansion. An investor can revive the building and house-flip it or use it as an income generating investment. The building is also a great candidate for demolishing and the land could be used for a residential development. There are two opposite entrances to the site, all is needed is a cheque and a vision to realise the next hottest development in Windermere.
