Situated on a 1540 square meter property in a peaceful neighborhood near Essenwood Road, this double-story family home presents numerous opportunities. There is parking for up to 12 automobiles and a double lock-up garage accessible by a sweeping driveway. The house is quiet and private because it is set well back from the road. Large reception rooms with a dining room, TV lounge, and solid wood kitchen including a center island, granite countertops, and a breakfast nook are available on the lower levels. A large wraparound verandah is perfect for entertaining. Downstairs is a study as well. The home features five spacious bedrooms, three of which are en-suite. There is also a family bathroom. The main bedroom is very spacious with a dressing room with numerous built-in cupboards and a luxurious modern full en-suite bathroom with free standing bath, steam shower and double vanity.

An additional extra is a loft room with views. This would make an ideal man cave or play room. The outside of the property features a large sparkling pool with an entertainment room, an outside 60sqm guest suite, an office and a storeroom. Now at a very realistic asking price. 24-hour guard in road.

Don't lose out on the opportunity to transform this unique property into your dream home.
