Experience lavish living at our unique 9-floor luxury apartments, which feature cutting-edge features. Secure access control, spectacular vistas, and the convenience of car lifts will enhance your living.

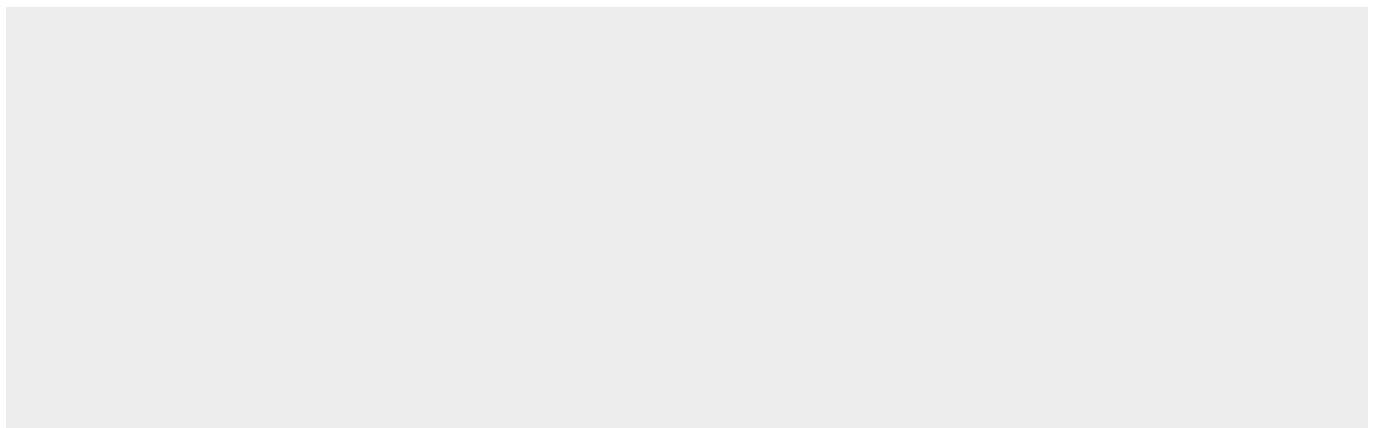

The apartments range in size from 424 to 477 square meters (excluding parking spaces) and provide a harmonious blend of attentive service and 24-hour security. Door parking on every floor, domestic quarters, and intercoms to servant quarters provide the ultimate in comfort.

Immerse yourself in luxury with four huge bedrooms and bathrooms, as well as a large open plan dining room and sitting areas. Relax in private Jacuzzi retreats, entertain in style, and let your children develop in separate play and pool spaces. Enjoy plenty of natural light, remain fit in the private gym, and enjoy the outdoors on a spacious balcony. This is more than just a home; it's a haven of luxury and unrivaled leisure.

There are two move-in ready, completely furnished apartments priced at R9 million (424 square metres) and R10.5 million (445 square metres). The remaining flats, which require the buyer to complete his or her own finishings and fittings, range in price from R6.8 million to R7 million.
