This amazing Shareblock apartment has been renovated with two beds and one bed, allowing it to be used as a large three-bedroom apartment or two fully distinct flats. It contains two kitchens, both fully equipped with Elo, stove, and double sinks. The expansive lounge/dining space opens onto an open balcony, which is accessible from both the lounge and the main bedroom. Bathrooms include a shower, a bath, basins, and three toilets. There are two power meters and two post boxes for convenience. The parking is on the roster, but an owner has a decent possibility of getting one for a charge. The sea views are breathtaking, stretching from uShaka to Umhlanga, and it's the perfect place to unwind and enjoy the steamy summer months and temperate winters. Call me to schedule a viewing.
