Tyson Properties Morningside presents this elegant property that exudes charm, character, and a magnificent lifestyle.

Nestled in a very exclusive location of Morningside, this home is likely to meet the expectations of the discerning buyer who demands nothing less than comfort, luxury, and convenience from the 2356 sqm plot of land on which this home is built.

This architecturally built home makes a big statement while being practical enough to function as a comfortable family home for years. The downstairs has a natural flow from the entrance hall to the living areas, which flow seamlessly into a shaded patio designed primarily for entertainment. This overlooks the swimming pool and features a pool lounge, built-in gas grill, and bar.

There is a fully equipped bespoke kitchen with a Smeg glass hob and a gas hob with a separate scullery. The kitchen looks out onto a sunny breakfast room that opens out to the pool area. This floor is finished with a guest toilet and a beautiful wood-paneled study/office.

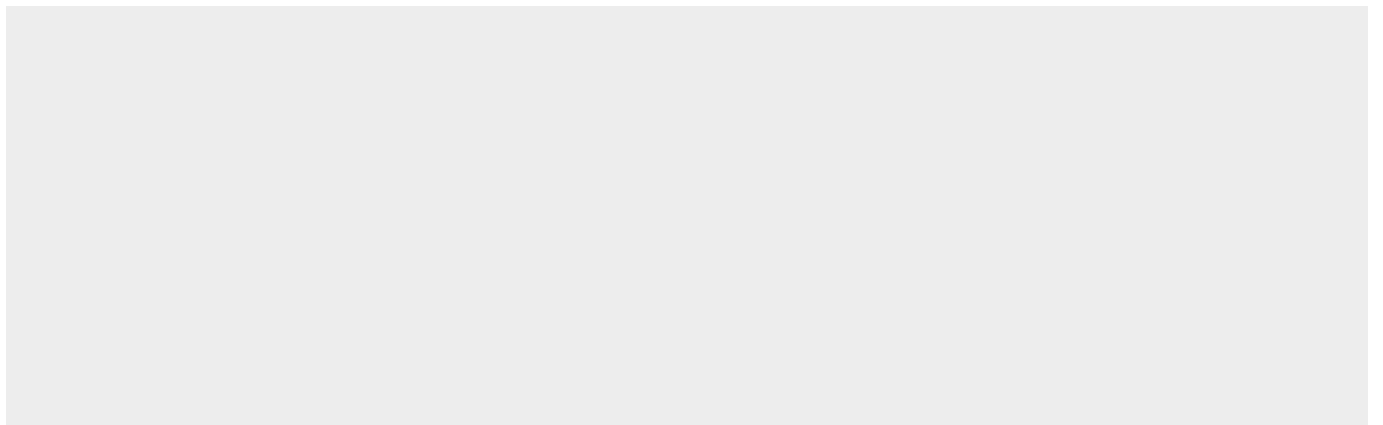

The five bedrooms are located up the stairs and on the broad landing. The master bedroom includes two stunning dressing rooms (one for him and one for her), as well as an excellent bathroom with spectacular views. It opens onto its own private patio, which has a water feature and sauna.

There are two further en-suite bedrooms. The sweeping driveway gives the house an initial sense of majesty, with the exterior of the mansion telling a gorgeous but unseen story of what's concealed inside this masterpiece. There is a double lock-up garage with two additional carports, as well as a two-bedroom cottage/domestic quarters with a kitchen.

If the visual portrayal of this property makes you fall in love at first sight, let's talk!
