The most prestigious high-rise apartment on North Beach is proudly presented by Wakefield's. Maluti is the most sought-after building, offering you the desired solitude with only two apartments per level. Shedding of loads? No worries, there are no water problems during load shedding and a 160KVA generator powers all communal areas. Savor a braai in the shared space and plant some flowers in the rooftop garden. Every day, take in these breathtaking views of the front line sea and experience life as a tourist. Maluti offers great security and is well located between two Tsogos Sun hotels, close to restaurants, the Sun Coast, charming eateries, and shopping centers. It is also only a short stroll from the beach. This well-priced apartment has three bedrooms, two bathrooms, a guest restroom, a lounge, a kitchen, and a dining area. It also has an undercover parking place. Please call me for an exclusive screening. Don't pass up this fantastic property.
