This magnificent home provides easy drive-up access that leads to an intelligent entry hall. Enormous with natural light, the interior features an expansive open-plan living and dining space that flows smoothly onto your private landscaped garden.

Granite worktops, a Smeg gas range and griller, and a laundry space that's ready for a washing machine are all elements of the fully furnished kitchen. The two well-proportioned bedrooms lead to a tiled and covered area that may be used as an office or for children to play in, while the main bedroom has built-in cabinets (BIC), a spacious dressing room, and an ensuite.

Conveniently situated across from the front entrance is a double automatic garage with a storage room at the rear. The complex has round-the-clock security and surveillance, and residents may take advantage of a shared swimming pool for extra recreation.
