The classic high-end finishes throughout this modern apartment create a timeless ambiance of sophistication and elegance.

Savor the luxury of space in the gorgeous open-concept living area with its two couches, dining area, bar, and kitchen—all exquisitely tiled in travertine—while taking in the breath-blowing views of the city and the sea.

Granite countertops, a glass hob, an eye-level oven, an extractor fan, and an abundance of cabinet space are features of the fully equipped custom kitchen. All the appliances are kept in a spacious laundry/scullery area.

Four generously sized bedrooms with en suite travertine and marble finishes are featured in this magnificent apartment.

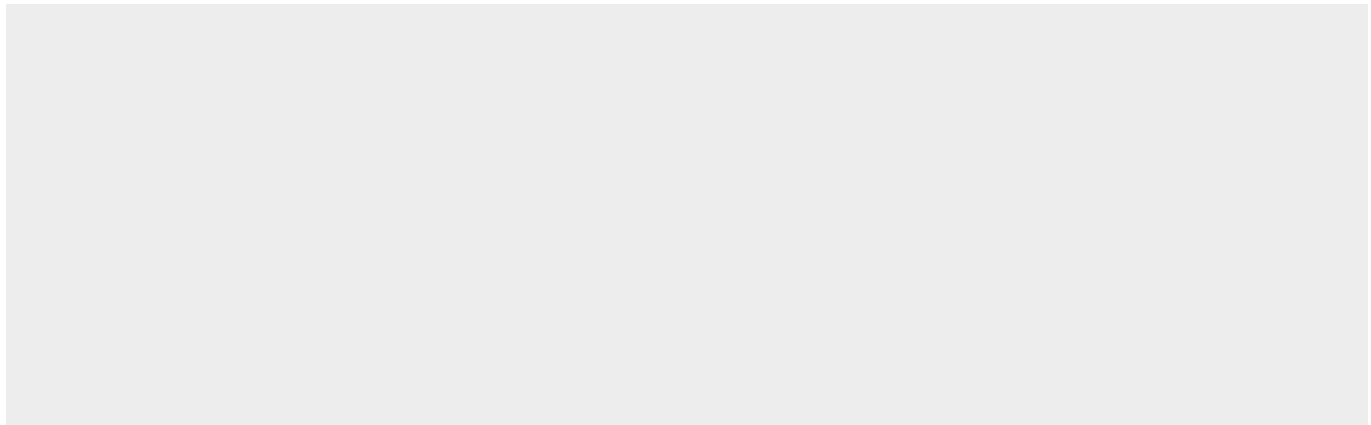

Richly furnished with an abundance of cabinets, the master bedroom overlooks the city and the sea.

In addition, the apartment has a triple automated garage, ducted air conditioning throughout, a private elevator to your front door, a shared swimming pool and braai area, and lots of guest parking.

Ideally situated in Morningside, close to reputable schools, stores, eateries, and houses of worship. For Give Yunus Randeree a call to schedule a private viewing.
