We are pleased to showcase this gorgeous home, which features an expansive and welcoming foyer that flows effortlessly into a lounge, an open-concept dining area, and a modern kitchen with granite countertops.

The kitchen is furnished with superior Smeg appliances, such as an oven, extractor fan, glass top stove, and double door refrigerator and freezer. A spacious central island including a prep bowl and a food disposal device enhances the practicality of the kitchen area.

With its expansive covered terrace, the dining room is the ideal place to host guests and take in views of the garden and swimming pool. On the ground level, there is also a separate guest toilet and a private guest suite with an en suite bathroom.

The basement space has charm thanks to the original Oregon oak floorboards. A roomy study and sleep lounge above offer more living and working space. This space leads to four bedrooms, each with gorgeous Rhodesian teak parquet flooring, and a family bathroom.

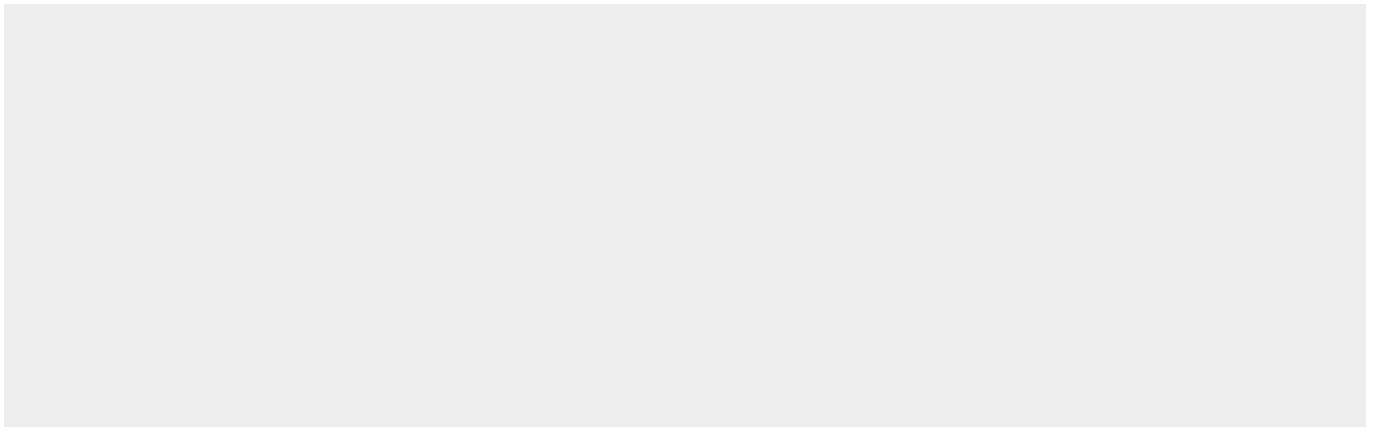

The opulent master bedroom features a spacious dressing area and an attached bathroom featuring a jet bath and a separate shower for each person. This bedroom opens onto a terrace that provides stunning views of the sea, as does another bedroom.

Heated towel rails are a comfort element in every bathroom, and the spacious family bathroom upstairs has a bathtub, shower, and double vanity. A double tandem garage with a storeroom underneath that offers plenty of storage space is one of the other features.

Ideally located near top-notch educational institutions, houses of worship, and the thriving Broadway retail district and dining options. In a prime location, this home provides convenience and luxury. Make this your home today by calling to arrange a viewing!
