A luxurious home where sophistication meets functionality.

This family home is unique in its architectural style, with family living in mind. For sale for the first time, with presence and charm that can be felt both inside and out.

This home is not to be missed. Enter a wide and airy open-plan lounge/living area with sliding doors that lead to a lovely outdoor entertaining area. With a large pool, a splashing pool for the kids, and a barbecue area. With a semi-open plan kitchen in the middle of the lower level. The entire downstairs space lends itself nicely to entertaining family and friends, with a spacious second lounge and garden with breathtaking sea and city views that can be enjoyed from wherever in the property. With dim illumination throughout and an under-stairs water feature.

The kitchen is completely equipped with high-end finishes, direct garage access, and convenient access to staff quarters. Featuring a built-in counter-level seating space.

Follow a gorgeous Turkish marble sweeping staircase upstairs and through a unique security gate to find three generously proportioned bedrooms, including a master suite-style bedroom.

All bedrooms have built-in cupboards and air conditioning. The larger non-master bedroom has its own en-suite bathroom, spacious storage, and wall-to-wall windows for plenty of natural light.

The master bedroom is designed in the suite style, with wall-to-wall windows that create an unequalled sense of space. Two en-suite bathrooms and a beautiful walk-in closet with extremely generous proportions and a massive amount of storage space via purpose-built cupboards with roller shoe drawers, as well as an adjacent bathroom with lots of cabinet space and a single vanity.

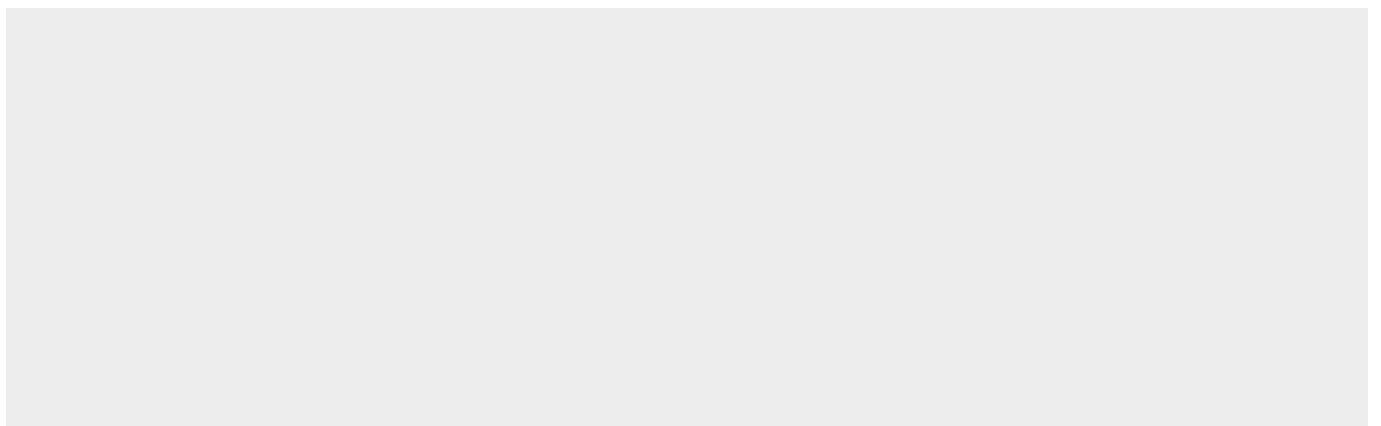

This property features an automated lock-up double garage that is deep enough to accommodate large vehicles, as well as additional parking. A majestic stairway leads to the front door, which is lined by trees. Located at the head of a quiet cul-de-sac in the heart of Morningside.

To fully appreciate this one-of-a-kind property, you must see it.
