We are overjoyed to be able to sell this lovely, multipurpose, two-story house with a one-bedroom cottage. The property has been remodeled so that it can serve as two distinct units or as a house for a large family.

Move in ready and completely clean! The upstairs features three bedrooms, two bathrooms, and a sizable open-concept kitchen and dining area. Each kitchen has a granite countertop, and the main kitchen has integrated Whirlpool equipment, which include a dishwasher and two refrigerator/freezers.

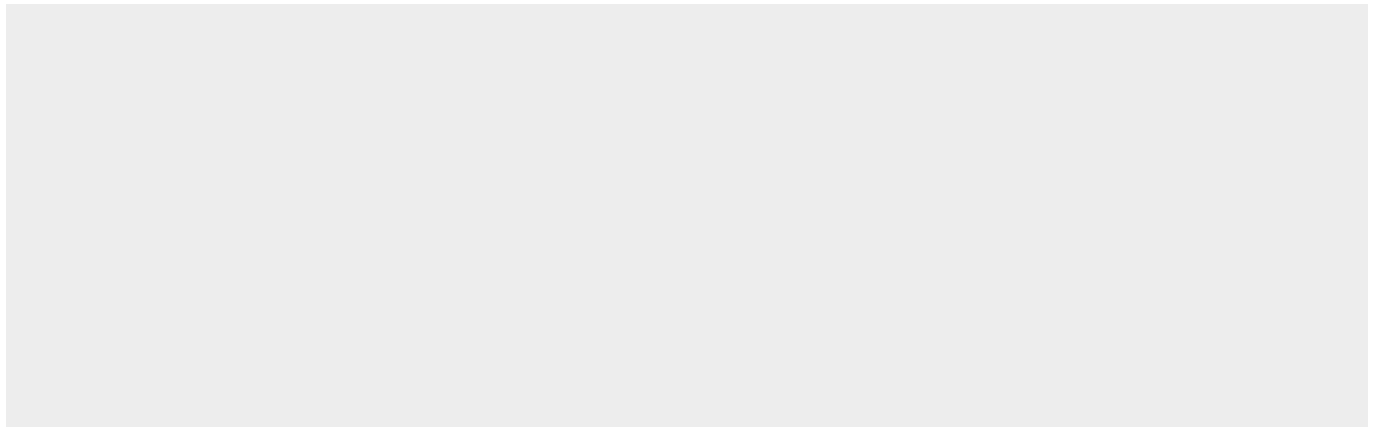

There are two bedrooms, one bathroom, a kitchen, a small dining room, and a lounge on the bottom level. All of this opens up to the garden and pool.

Additionally, there's a spacious one-bedroom cottage with an attached bathroom that may be converted to a two-bedroom residence.

There is staff housing that is suitable for use as a studio flatlet. A stunning house with tons of space for a large family! Make an appointment today for a private viewing.
