We are excited to present this lovely triple-story home in Glenwood, which features a charming garden and a glittering pool.

Upon entering through secure automatic gates, you are greeted by a big double garage with enough parking for up to 8 cars.

Inside, through the gorgeous entrance hall, you will find a pleasant lounge with a fireplace, a formal dining space, and a well-equipped kitchen that leads to the TV lounge.

There is a charming guest toilet concealed beneath the stairway. The kitchen is fully furnished and tastefully planned, with ample cabinet space and stunning granite counters. Step out from the formal room and dining area onto the covered verandah, which offers beautiful views of the pool and garden.

Upstairs, you'll find four nicely sized bedrooms, including the master suite, with substantial built-in wardrobes and a complete bathroom. The bedroom windows offer beautiful views of Durban.

For the warmer months, the residence is entirely air-conditioned. Recent renovations include aluminum windows and doors, as well as stunning wooden floors in the lounge area, which add to the home's charm.

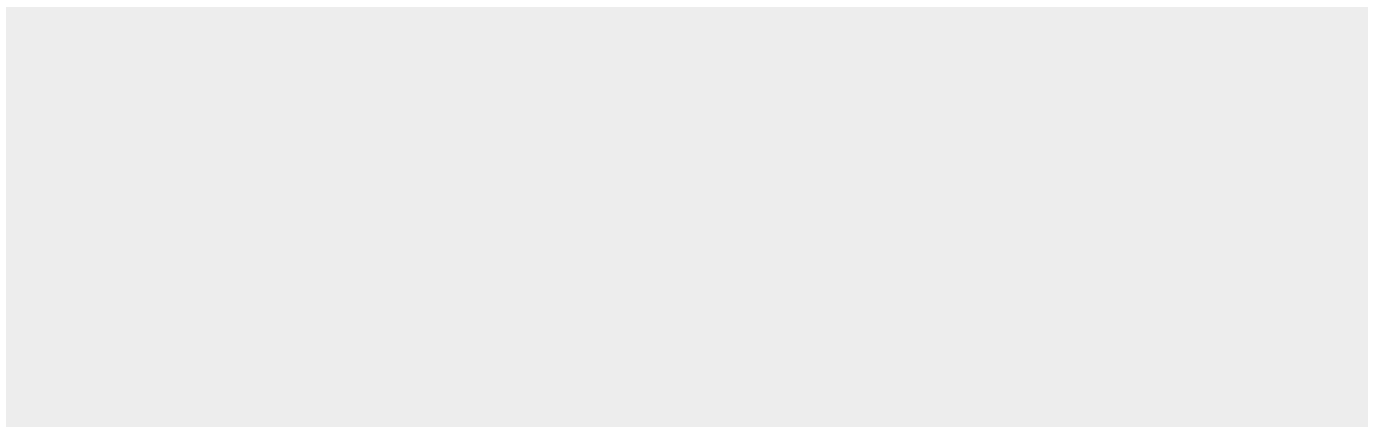

The front garden features a sparkling blue pool and a Lapa with a built-in braai, ideal for hosting gatherings and enjoying outdoor living and entertaining. On the ground floor, there are two separate self-contained flatlets, each with their own bathroom, ideal for extended family or income-generating rentals, or work-from-home offices. Additional attractions include double staff accommodations.
