In the center of Essenwood, this opulent and spotless townhouse will make you feel at home. Being the largest of five apartments, this property feels like the sole one in a safe community.

There is a living and entertaining space on the first floor. Well-landscaped, the property has a sauna and a sizable pool for those sweltering summer days. By opening the stunning oak stack back doors that run the length of the dining and lounge area, the contemporary kitchen blends perfectly into the outside area.

There is a second lounge which can be used as the TV room or fourth bedroom if need be and has doors that lead out to the garden. Upstairs consists of three large bedrooms all with built in cupboards in great condition and tiled throughout.

The main bedroom is the largest of the three and has an en-suite bathroom and a private balcony overlooking the garden. The other two bedrooms share two bathrooms in the hallway, one with a shower and the other with a bathtub.

There are two garages – one is double volume and can fit two cars tandem, the other is a single and has an additional two storage rooms. There is an open parking bay and a domestic room that belongs to this unit.

There is a fully functional ducted aircon throughout the townhouse - a must in Durban. The garden area is equipped with beams and there is an electric fence around the perimeter of the complex. The levy also includes street patrol at night.

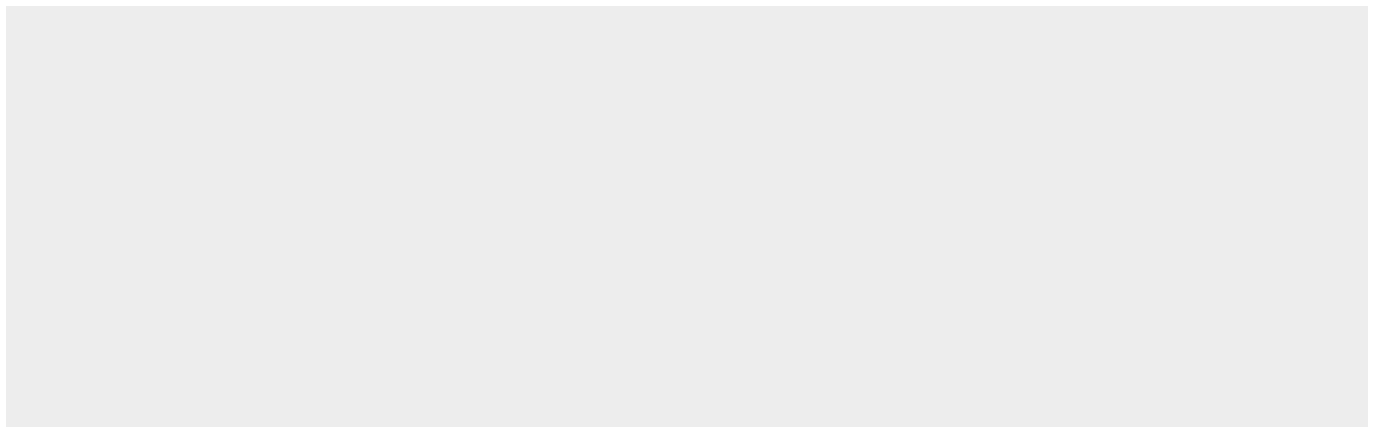

Essenwood Palms is a well-run, sought-after and secure complex located on Essenwood Road with a secondary entrance on Monmouth Road. Essenwood is a popular area due to its close proximity to great schools such as Durban Girls' College, Maris Stella School for Girls and Durban High School.

There are great restaurants and shops in the area and it is a five minute drive to the popular Florida Road. There is easy access to the Durban CBD and surrounding areas.
