You need look no further than this lovely family house if safety is your first concern. Tucked away in a quiet neighborhood and only a short stroll from Northwood Boys' High School, Checkers, and the vibrant Mackeurtan center, which offers a tavern, restaurants, and a lot more.

Upon entering the front door, you will find yourself greeted with airy and light open-plan living rooms with a dining area and lounge as well as a large fully equipped kitchen complete with a scullery that is plumbed for a washing machine and dishwasher.

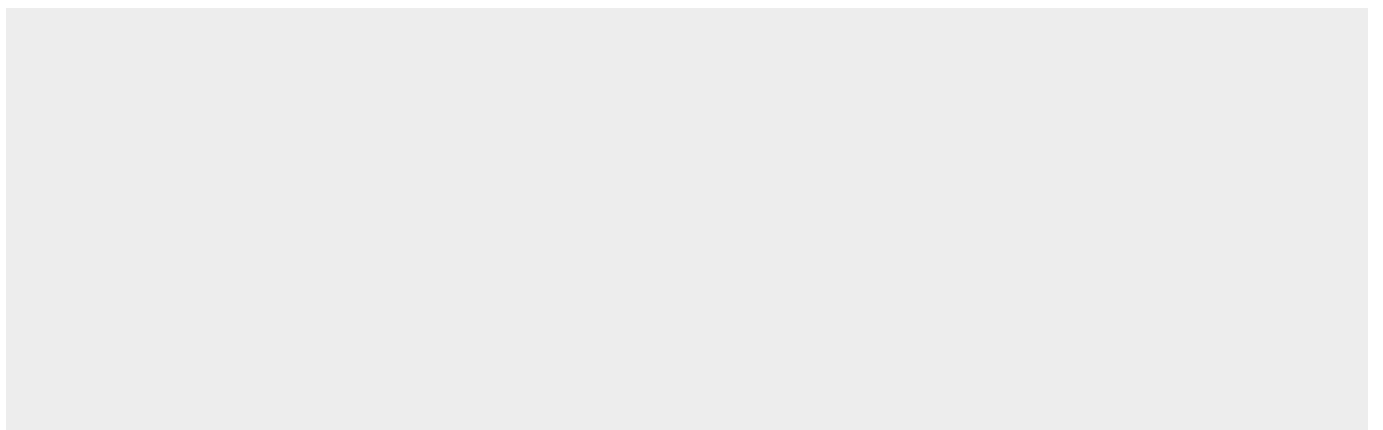

Ample built-in cupboards, two bathrooms, including a master en suite, three beds, and a study make this home perfect for working from home. Two distinct gathering areas and a dazzling pool make entertaining a snap. Stunningly beautiful, well-kept garden with a variety of birds.

With a single garage or an extra large double carport that can accommodate four cars plus space for an extra three or four, parking won't be a problem.

Given the size of the property this house sits on, there is surely room to construct a spacious granny flat. Give me a call right now to schedule an exclusive viewing.
